

Music Festival Registration System & Website

Music Festival Websites

User Friendly | Editable | Affordable | Effective

Complete Online Registration & Management System designed specifically for Music Festivals. Available as part of a complete website or as a stand alone version to work with your existing website. Choice of 6 website templates.

Save hundreds of volunteer hours every year. Those who have tried it will never go back.

Basic Website	\$500.00
Choice of 5 Pre-Designed Templates 12 Pages with the ability to edit text, add photos etc.	
Festival Registration System	\$500.00
Charge per entry Per Year \$1.00 each	
Annual Hosting Cost	\$150.00
Domain Name & One Email Address (web based login)	\$50.00

The registration system allows for setting up Disciplines, Categories, Grouping by Age or Grade, and other specific programming to fit the needs of the discipline.

You can print reports for scheduling, and schedule entries for date, time, venue and order. Individual entries can be edited and corrected. The Registration system automatically emails a copy of the registration to the person who registered, as well as the teacher if we have them in the database ahead of time.

Administration Section

List of Participants – ability to enter payment, type and \$ amount.

(250) 490-4045
200 – 113 – 437 Martin Street.
Penticton, B.C. V2A 5L1
support@EDIScomputers.com

Reports Generated:

1. Scheduling Setup – assign dates, times & venues to each entry
2. Competitor List – Sort by Name, ID# and view Payment Amount -
3. Programme
4. Competitor Slips
5. Adjudicator Forms
6. Excel Spreadsheet for Certificate Printing
7. Awards List
8. Alphabetic List – Lists all participants, and the names and times of their pieces

The Website Features:

1. Editable Pages, a user friendly interface that allows you to edit pages.
2. Admin Section for Discipline Captains, and the main Admin Section. Captains are only permitted to see their discipline information, not to make global changes to the website in general.

We can integrate the design from your own webmaster, or website seamlessly. The cost of this would be determined on a case by case bases.

Reports:

1. Discipline Report – Sorted by class

4. Competitor Card, Participant Notification – can be adjusted to suit your needs. They are automatically emailed to the student, parent and teacher. Any entries without an email generate on the Competitor Card Report so they can be printed out and mailed to the student.

EDIS Computers is a locally owned computer business, with more than 10 years of programming experience that specializes in interactive website management systems. We have many years experience building robust systems for diverse business needs, both in Canada and the USA. We would be pleased to provide you with further background information or references upon request.

We will be making enhancements to the programming between June and September 2009. Please feel free to call if you have any further questions.

Thanks, Charleen Edis
